

Renewal of Membership Covenant
Metropolitan Community Church of Knoxville

My Membership Covenant

Spring 2021

I commit to the regular worship of God. I will honor God, the community and myself with my presence and participation in worship on a regular basis.

I commit to attend to my own emotional and spiritual health and growth. I will utilize the resources of the church as well as other resources available to me to grow in understanding, faith, love, and service.

I commit to the principles of inclusivity; welcoming everyone who comes as a child of God, committing to treat others with respect, and to engage in direct-dealing in a spirit of love.

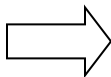

I commit to pray for others, including the leadership and the church itself. I further commit to welcome the prayers of others for me by letting them know of my prayer requests and needs.

I commit to consistent and faithful financial support of the church.

I commit to share my spiritual gifts, talents, and time in service through the church. I will volunteer service through one of the ministries or outreaches of the church.

I commit to speak well of the church, its ministry, its leadership, and its members.

I freely choose to covenant with Metropolitan Community Church of Knoxville as a MEMBER.

OFFICIAL FRIEND (rather than Member)

While I support many aspects of MCC of Knoxville, I am not able to make these commitments at this time, or, I do not fully ascribe to the beliefs of MCC. Therefore, I ask to be considered an official "Friend" of MCC Knoxville. I will support the mission of MCC as I am able and as it concurs with my beliefs.
